

Mmahulo Bernard Molaba

Computer Systems Engineering Candidate

mmahulo.molaba@gmail.com | Gauteng, South Africa | github.com/mmahulo-molaba

Profile

Final-year Computer Systems Engineering candidate specialising in full-stack web development, robotics (ROS2), industrial PLC automation, and AI/ML agents.

Education

**Diploma in Computer Systems Engineering - Tshwane University of Technology
2023 - Present | Focus: Linux, Industrial Automation, ML, Systems Architecture**

Skills

**Next.js, React, TypeScript, Java, C++, Python, SQL, REST APIs, GitHub
ROS2, Siemens PLC (S7), TIA Portal, Allen Bradley, Sensor Integration
Supervised/Unsupervised Learning, Reinforcement Learning, Unity ML-Agents
Linux, SSH, Arduino, Embedded Systems, Secure Data Transfer**
